

END THE MANDATE!

SUPPORT H.R. 4995
“END THE MANDATE ACT”

Forcing every American to purchase a federally-approved health insurance plan is not only unconstitutional, it violates the fundamental principles of individual liberty on which this country was founded.

Federal interference has already wrecked our health care system, and now our government is taking away our basic right to choose the health care plan that best meets the needs of ourselves and our families.

H.R. 4995, the “End the Mandate Act,” defends the Constitution by repealing the federal mandate to buy health insurance.

Contact your Representative right away and urge him to stand for freedom by cosponsoring H.R. 4995, the “End the Mandate Act.”
